From the Director of town Planning, d/14-7-1949, L.Dis.No.144/49

ORDER:

The Commissioner, Corporation of Madras, and the Commissioner, Tirupati Municipality, have requested the Government to clarify the point whether under clause (2) of rule 50-A of the Madras Town Planning Rules, it is necessary to register under the Indian Registration Act, copies of notifications under section 10 or 12 of the Town Planning Act which were pulished prior to the issue of the rule referred to above in G.O.No.2444, P.H. dated the 16th July 1948. In view of the fact that many people buy land for fairly high prices and later find that they have to pay heavy betterment fees, the Government consider that it is desirable to register the notifications referred to above under the Indian Registration Act even in cases where the notifications had been issued prior to the issue of rule 50-A of the Town Planning Rules.
